LETTER OF COMMENDATION

Edward J. Lynch, Jr., Institute Director of the Massachusetts Municipal Training Institute of Boston College, has written a letter to the Mattapoisett Board of Selectmen to inform that Charles A. Morgan of Main Street, Mattapoisett received a mark of 94.5 in the course on Waterworks Administration. The letter said in part, "this was the highest mark scored in a class of 37 and we of the Institute would like to express our congratulations to this employee for his outstanding performance".

RESIGNS FROM BOARD OF APPEALS

Paul Mullaney, Field Street, Mattapoisett has submitted his resignation from the Board of Appeals because he has been transferred from New Bedford to Baltimore.

FINE ARTS GROUP MEETING

Fine Arts Group members of the Mattapoisett Woman's Club will please note a change of date for the February meeting, which is now scheduled for Wednesday, February 9th, instead of the following week. This is so that the exhibition of the Navy Combat Show may be viewed at Cherry and Webb's Gallery, sponsored by the New Bedford Standard Times, and other local art shows, including one at the Jewish Community Center of paintings by Christine Bean.

Mrs. Judah Humphrey will receive the

Musical features of the "Show and Tell" day are being handled by Mrs. Gladys W. Reynard with the cooperation of Mrs. Charles A. Adams. Singing voices are being recruited. Due to the cancellation of the recent Club meeting, there was not the expected opportunity to sign up, so any cooperation will be greatly appreciated.

PAPERS TAKEN OUT

Arthur R. Knox, LeBaron Way; Elsie Lee Marvin, Mechanic Street; and E. Mason Welling, Shell Beach have taken out papers for the office of Library Trustee. Bruce E. Rocha, West Hill; and Dennis Sylvia, Randall Road have taken out papers for the office of Board of Health. Llewellyn V. Roberts, North Street, has taken out papers for a two-year term on the Planning Board.

HYDRANTS NEED UNCOVERING

Mattapoisett Fire Chief Ken Wood requests that residents dig out fire hydrants in front of their homes while shoveling. Mr. Wood said that the water department tries to clear hydrants but that there are over 400 hydrants in town for 2 men to dig out, so that it is an impossible task for them. Cooperation by residents will be a safety factor of great value in case the hydrants are needed to fight a fire in the neighborhood. Please uncover your hydrants.

CAST NAMED FOR "SOUTH PACIFIC"

Students representing all grades at Old Rochester Regional High School are enthusiastically working to present four performances of the Rodgers and Hammerstein musical, "South Pacific", during the February vacation week. Laureeann Empey heads the cast in the role of Nellie, popularized by Mary Martin in the original production. Opposite her is Douglas Mc Garvey as Emile de Becque, the propserous French planter.

On the South Sea island is Bloody Mary, played by Marion Fernandes, who capitalizes on the presence of the U. S. Navy in a wheeler-dealer souvenir business. Beverly Andrews appears as her daughter, Liat, who falls in love with Lt. Cable enacted by Allan Roderiques.

Patricia Dexter and Ralph Washburn of the Junior High grades take the roles of Emile's children, and Alfred Roderick, the butler. Merton Howes is the comedian of the show as Lu-

LETTER TO THE EDITOR:

Have the President and his Top Brass managed Americans' affairs so long that they now do not expect us to do any thinking, but, rather, to believe everything they tell us, no matter how ridiculous it happens to be?

I recently read a letter written by the father of two sons in military service, one in Vietnam, in which he asked how to proceed to get his sons in a safe spot, adding facetiously that he did not expect to succeed, since neither son was engaged to the President's daughter!

He apparently referred to the fortunate chain of circumstances (?) which has helped

Patrick John Nugent, a draft-age American, and his fiance, who happens to be Luci Baines Johnson, daughter of the President of the United States, from facing the separation which thousands of other young persons are having to face today.

Mr. Nugent, an activated National Guardsman, just happened to receive his basic training at a Texas Air Force base near the LBJ ranch. But then, what about the long four months remaining on his military commitment after basic training? Again, the good fairy was at his side, and he will spend that period at Andrews Air Force Base, 10 miles from the White House. And guess what? Pat can live off-base when not on duty.

If we believe that this all came about quite by accident, without pressure or favoritism, then we also believe in Santa Claus and the Easter Bunny!

ROCHESTER BOWLING LEAGUE, JANUARY 25

In the Rochester Bowling League, Herbs TV Shop got the picture when they were served a mess of scrambled goose eggs in their visit to Knotty Pine Cafe. Bob Jefferson unloaded a 432 for the winners with Herb Snell picking up a 363 for the TV Shop. Hartley Saw Mill squeezed two points from Hiller's Garage with Bobby Hartley rolling a 385 for the Saw Mill and Eddie Figuerido turning in a 384 for Hillers. Lionel Holmes belted out a 391 triple as Sturtevant & Hook walloped Lloyd's Market. Don Gifford's 387 stood out for the losers. Lawrence Poultry Farm continued to roll by taking 3 points from Hartley's Garage. Art Tripp tripped 370 ducks for the Poultry Farmers.

CATHOLIC WOMAN'S CLUB MEETING

The Catholic Woman's Club of Marion held its monthly meeting Monday evening, January 17th, at the Sippican Woman's Club, Mrs. Robert Johnson presiding. After the business meeting, Sister Janesita and Sister Howard of Nazareth Hall in Hyannis spoke about exceptional children. Nazareth Hall is a day school for educible and trainable retarded children. They have an interesting and varied curriculum including field trips and Christmas pageants. Slides were shown picturing different phases and processes for teaching the children. The hall is run by the Diocese, Bishop Connolly in charge.

A social hour followed this enlightening lecture. Mrs. Ellen Ellen Crabtree was social chairman of the refreshment committee which included Mrs. Yvette Ouellette and Miss Jacqueline Cusick.

PAUL MULLANEYS HONORED

The many friends of Paul and Jan Mullaney of Field Street, Mattapoisett were on hand Saturday night for a surprise dance given for the couple at the Knights of Columbus Hall on Route 6. The Silverlines Trio provided the music for the dancing, and buffet lunch was served at 10:30 to about 75 people who attended.

Mr. and Mrs. Paul Mullaney, right, are shown admiring their gift of scrimshaw at a party in their honor Saturday night. Pictured with them are William Keane, left; and Timothy Howrihan, who arranged the party.

The crowd of friends was on hand as the Mullaneys arrived and all stood to greet them as they entered the hall and walked under the huge banner which welcomed them.

A gift of scrimshaw was presented to

LETTER TO THE EDITOR

The Sunday Standard Times told us the Russian who was working for UNICEF (United Nations Childrens Fund) and trying to get restricted American Missile components was fired and is reported to be leaving for the Soviet Union. His salary of $18,000 as Procurement Officer astounded me! Even if he were not a Russian 'spy', it seems a sizeable salary from a Childrens Fund! One wonders what the salaries are of other more important employees at UNICEF!

One of the Christmas cards this year sold by UNICEF was painted by a Russian. Often Communist artists from the United States have done this work. These people get sizeable sums too. Isn't it incredible that an avowed atheist who wants Christianity destroyed should be chosen to paint Christmas cards?

According to the Boston Globe of January 22 a meeting is being held in Boston with the International UNICEF chairman, Mrs. Avaham Harman, wife of Israel's Ambassador to the United States to discuss "New Goal for UNICEF - Welfare and Survival". One of these new goals according to Medical World News of September 17, 1965 will be adding family planning and birth control to the UNICEF program.

A logical thinker would feel that if the choice were made by UNICEF that food, medical care, etc. going into Communist controlled

countries means giving it to COMMUNIST CHILDREN instead of the children of those who are opposed to Communism, that this is prejudicial against that latter - and would oppose it. Communist children grow up into Communist grown-ups and could very well some day be responsible for the death of our children or grandchildren in their diabolical desire to Communize the world!

Additionally, our Government gives UNICEF $11 million dollars annually which seems like a goodly sum - when one realizes other countries contribute little or nothing!

Therefore, I restate my opinion again - I still hope mothers, teachers, and churchmen think twice before they send children out at Halloween to beg for funds for this organization!

Yours truly,
Kathryn Ellis Nowak

YOUR STATE OF HEALTH

MEDICARE

Let's be honest, most of us resist changes Some are afraid of it, generally for some vague or unknown reasons. Others, quite frankly, are just plain annoyed because it distrubs their old routine. But whether we like it or not we must remain flexible in a changing world and sometimes the answer to graceful change is simply to take time to learn more and understand better how something new will affect you and your family.

Programming for medical care for the elderly under Social Security is something new. In fact it is so new that it has not yet gone into operation. When it does, it is bound eventually to affect every single one of us.

In this column the Department of Public Health will emphasize Health Insurance for the Aged, known as the Medicare aspect of the law. It must be realized however, that this same

legislation is one of the most expansive and comprehensive pieces ever passed in our history. It contains, for example, many and various other benefits quite apart from Medicare. This will be discussed in another column at a later date.

Getting down to facts on Medicare, it will become effective on July 1, 1966, with the exception of extended care services beginning six months later on January 1, 1967. Structurally, it divides itself into two basic parts. One is the Automatic Hospital Insurance Program, under which all citizens over 65 and those reaching that age by January 1, 1968, will qualify whether or not they have ever worked under Social Security coverage. Because there is a time restriction, it is vital that those persons in that category, who may not now be collecting Social Security, apply immediately at their local Social Security Office to insure their enrollment.

The second part is the Voluntary Medical Insurance Plan which will be available to all who wish it at a three-dollar monthly charge. This plan covers physicians' fees and other medical items not covered in the Hospital Plan. If you are now 65, you must apply for the insurance before March 31, 1966. If you are not yet 65, be sure to notify your local Social Security Office three months before your birthday in order to insure immediate coverage on the voluntary plan.

Medicare provides hospital care, extended care and home health services to insure better health for the aged.

Hospital care allows payment for any hospital admission for any given reason, such as fracture, appendectomy, cataract, accident or other. Coverage is provided up to 90 days in a general hospital. The patient pays forty dollars upon hospital admission, then after 60 days he pays ten dollars per day for the last thirty days. The maximum cost to any individual for the 90-day spell of illness would not exceed three-hundred and forty dollars. Generally speaking, three months far exceeds the average hospital stay.

If extended care is required, it can be provided at either a chronic disease hospital, rehabilitation center or nursing home for another 20 days at no cost. In addition, a further 80 days of care may be provided at a nominal charge of five dollars for each day. The patient is also entitled to up to 100 home visits within the year following hospital discharge, which may include services of nurses and therapists, but not physicians. The physician's visits are covered by the voluntary medical insurance plan. Outpatient hospital diagnostic services are also provided.

your present health and accident insurance plan before July 1, or until you know for certain that you are properly covered by the new Medicare Program, and have received your identification card that resembles a charge-plate.

While we all know that Medicare may not be the complete answer to everything as far as health insurance is concerned, it will certainly go a long way in helping eliminate some of the basic financial worries and problems facing the elderly and their families on whom a large share of the burden lies.

If you have any questions about the program, either for yourself or a member of your

How to make sure you won't run out of heating oil

LET US KEEP TRACK of your fuel supply for you.
No more running out. No more last-minute calls for oil.
Everything is automatic. We compute your rate of fuel consumption based on the weather. Using the degree-day method, we can accurately predict how much heating oil you will use and when you will need more of it. When time comes, our truck appears at your home-well before you run low. No need to phone. No bother. We handle everything for you.
There is no charge for this special service. And you'll be getting Shell Heating Oil for top burner performance. Call us today for details.
